GARY WILLIAMS

Gary's athletic career started as a sophomore at Morrill High School. Since then, he has become one of the best track athletes ever to come out of Morrill High. His senior year, he was the state class "C" cross-country champion. During the cross-country season, he went undefeated. In track, he set records in the mile run at every meet. He holds the school record of 4:26.7. He also won the Gold Medal with that performance. To be a Gold Medal winner, one must have the best performance of all classes--A, B, C, D for that event. On Memorial Day, Gary participated in the Cozad meet. He won the special mile event with a time of 4:21. He beat some of the top high school milers around the country. For his efforts at Cozad, he received a special trophy.

WRESTLING

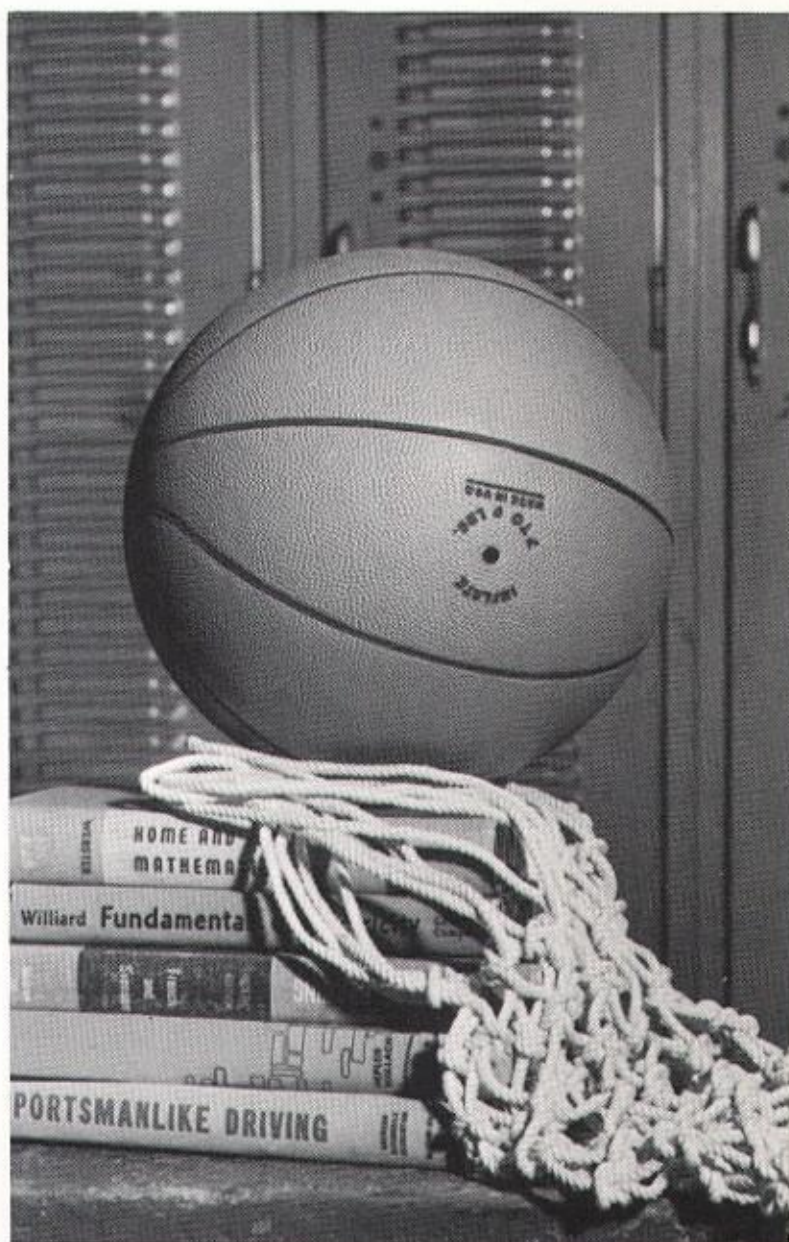

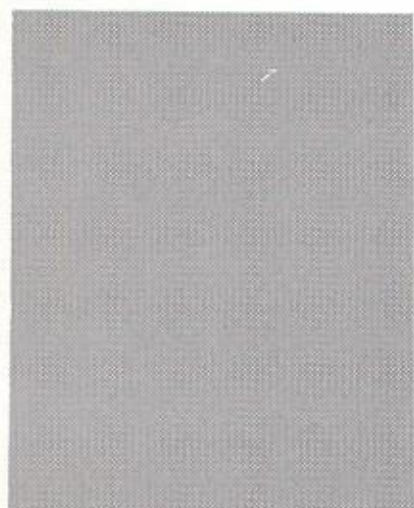

Morrill High School started a new program on an experimental basis. In Dec. 1967, Morrill entered the Panhandle "C" Conference Wrestling meet at Bayard. Bernie Hunnel won first in the 133-lb. class to lead his team to a 4th place finish. With no dual meets on the schedule, the team faithfully worked out until the district meet at Rushville. Morrill took six wrestlers to compete and Bernie Hunnel finished on top in the 127-lb. class to qualify for state. He won the state championship at Lincoln in the 127-lb. class. Morrill tied for 11th place at the state meet.

The theme of the prom was "Tahitian Holiday." The gym was decorated with a native hut (a refreshment stand), a rock pond, a multicolored shell as background for the throne, a live volcano as a backdrop for the band-The U.S. Male, and an enormous Tahitian god to drive off evil spirits. The palm trees were swaying to the beautiful music presented by the talented group from the sophomore class: Rod Kinghorn, Kay Lempka, Tony Zitterkopf, Pat Huls, Jerry Jacobs, Grace Ann Cherry, Randy Butcher, Nita Doyle. The king and queen and their attendants were selected by the student body: Queen--Karen Kraus, King--Alton Lerwick, Att: Pat Deines, Greg Jackson, Kerry Blackburn and Gary Williams. PEP CLUB

The first activity for the year was the magazine sale held in the fall. This is the annual money making project of the pep club. In the spring, the athletic banquet and dance was held to honor all the lettermen for the school year. At the awards program in May, all girls who met the requirements received pins and guards for 1968, and the officers for the following year were announced.

Throughout the year, the cheerleaders conducted pep rallies before the games, and decorated the halls of the school, to create the fine spirit found at MHS.

STUDENT COUNCIL

This year the student council has revised its constitution, and its members have rededicated themselves to being leaders of good citizenship. The council has also begun raising funds for a long-range project--something to be contributed to the school in the name of the student council. The excellent leadership qualities of the council officers have provided the council with the impetus to keep it moving forward.

fha

FHA was founded in 1945 and now has members in every state and in Puerto Rico and the Virgin Islands. All students who are taking or have taken home economics in junior or senior high schools are eligible to join.

The overall goal is to help individuals improve personal, family and community living. The FHA colors are red and white. The FHA flower is the red rose, a symbol of beauty for everyday living.

The Morrill chapter was founded in September, 1967. Some of the activities were a foreign foods dinner, a Christmas fashion show, and the state convention in Lincoln, Nebraska.

COUNTY GOVERNMENT

County government is the closest source of government to this area of high school students. They are beginning to be in contact with it more and should understand it. County government enforces the laws, collects the taxes, etc.

Shortly after graduation, a youth soon becomes a voter and should be able to vote efficiently.

CLASS OF '69

One of the largest and most active organizations in the high school this year is the mighty junior class. To develop our dramatic tendencies, we put on "Good Gracious Grandma", a three act play for the student body and public the first semester.

Everyone agrees that a vote of commendation be given for the "super" concession sales sponsored by the class. All the trouble of hauling, ordering, and setting up concessions was rewarded by the good response of all those who attended the football and basketball games.

Mrs. Kautz--Class Sponsor

The high school activities of the class of '68 began in the fall of 1965 when they proudly walked through the east doors of the building, rather than the west doors. The class hosted the St. Pat's Dance for the other high school students. During their sophomore year, they sponsored a "Sock Hop" with Mel Sauer as MC.

Highlights of their junior year were their play, "Shy Guy" and "The Sidewalks of Paris" Prom.

As seniors, they found themselves patiently waiting for commencement. A play "Here Comes Charlie" helped hasten the awaited time.

CLASS OFF: Donelda Ebel---Treas., Glenda Stoeger--Student Coun. Rep., Pat Deines--Vice-Pres., Lydia Bare--Sec., Tim Weimer--Student Coun. Rep., Brian Grasmick--President.

The administrative staff of the Morrill Schools has very efficiently guided the teachers and students through another successful year.

In his eight years at Morrill, Superintendent, Neal Custer has used his many talents for the betterment of the school and has won the friendship of the students at MHS.

During the past year, a quiet, reserved man, Principal Asa Halstead, is a good example of the hard-working well-liked administrator about whom everyone enjoys hearing. He is always ready with an encouraging word for any MHS student.

In his first year as elementary principal at Morrill, Mr. Ron Halstead's friendliness and his interest in the students have won him the respect of the MHS students.

The freshmen sponsored the second annual talent show jointly with the yearbook staff.

The 1967-68 school year was good to the LION. It came in with a ROAR at the beginning of the school year in September and finally quietly padded out in May.

In sports, Bernie Hunnel won the 127-lb class, in wrestling, at state and Gary Williams won the Gold Medal for all classes in the mile at the state meet.

Queen Pat Deines reigned over the homecoming activities, and the athletic king and queen were Greg Jackson and Lydia Bare.

The juniors worked all year in several money-making projects to make the prom possible. The gym was completely transformed and the decorations were beautiful.

The sophomores managed to show up all other classes in the intramural track meet this spring when they racked up a total of 96 points. The freshmen took second; seniors third; and juniors fourth.

Finally, the end of school with a series of "last times" for the seniors graduating, and empty halls. The mighty LION can rest now that he did his job well.
